

Is Your Child Dreaming of a Summer with Horses?

Experience the difference at Rivendell Farm!

Our farm mission of nurturing the relationship between children and horses flows into all that we do at Rivendell Farm. A fun filled week at our farm will be a cherished lifelong memory for your child.

Children of all levels, from first time riders to experienced riders have enjoyed participating in our Summer Riding Program.

Our experienced and knowledgeable staff (with a high staff to student ratio) will take the time to help build your child's confidence and knowledge base in working with, grooming and riding horses.

Safe, fun and informative best describes the activities in our beautiful facility. A group lesson is taught every day as well as horse grooming and horse care. We teach all aspects of horseback riding and horse care.

Bareback riding, trail riding, meeting a farrier or horse vet may be part of the activities based on ability and age group. Breed identification, horse behavior, safety around horses are a few other activities we have planned. Every student works on a craft project to bring home at weeks end. We even plan a party every Friday with barbeque and slip slide to celebrate the successes of the week
